### **MORTGAGE DECLARATION**

I/we refer to the mortgage application and do hereby acknowledge and declare that:

I/We confirm that the income amounts disclosed within this application are true and accurate and are sufficient to pay the monthly mortgage payments and future estimated payments stated within the Key Facts Illustration. I/We understand that a false declaration of income will have a serious effect on our ability to regularly meet mortgage payments.

I/We confirm that I/we have discussed, with my/our mortgage advisor, the impact of increases in interest rates and their significance on my/our mortgage payments.

I/We are aware that taking on new/additional financial commitments of any kind, during the period of the mortgage

where I/we have not received any corresponding increase in income, could affect the ability to meet the mortgage payments as they fall due, and that my/our home will be at risk if I/we fail to maintain the mortgage payments.

In the event that the mortgage repayment date falls after my/ our normal retirement date(s), I/we confirm that I/we will have sufficient financial resources, either through pension or other income to meet the mortgage payments as they fall due.

I/We confirm that I/we understand the way an interest only mortgage works and that the balance of my/our mortgage will not reduce over the term of the mortgage and it will be my/our responsibility to repay the loan from other sources at maturity of the loan (This applies only to applicants who are applying for an interest only mortgage).

Make sure that you can afford your mortgage if your income falls.
