P4 What valuation Survey Report do you require? (✓)

Mortgage Valuation Homebuyer's Report Building Survey

(i) Valuation Report The Society is required by law to obtain a valuation report on the property on which you require a loan. A copy of the report will be given to you, purely for your own information. This report is solely to enable the Society to decide how much to lend on the security of the property and on what terms and is not to be used for third party purposes without the express permission of the Valuer and the Society. The Society strongly recommends that a more detailed report is made on the condition, value and suitability of the property.

(ii) Home Buyer Report I/we authorise the Society to request a qualified surveyor to undertake a RICS Home Buyers Report. The inspection will cover all readily accessible or visible parts of the property but is not as thorough as a Building Survey but more comprehensive than the Valuation Report.

(iii) Building Survey This report is the most thorough and will go into more detail to identify defects but the scope of the report will vary dependent upon the property itself. The cost of this report can be obtained on application. You may discuss the limitations and/or your requirements of the report with the surveyor.

(iv) External Appraisal If the Society seeks an external appraisal, this will involve the valuer assessing the property from the roadside. Not all properties are suitable for this type of assessment and if this is the case you will be advised and the Society will need payment of a basic valuation fee before the application can proceed further. The external appraisal is for lending purposes only so no report will be issued to you and you should place no reliance on the valuation figure or that the property is free from any defects.

MORTGAGE DECLARATION

I/we refer to the mortgage application and do hereby acknowledge and declare that:

I/We confirm that the income amounts disclosed within this application are true and accurate and are sufficient to pay the monthly mortgage payments and future estimated payments stated within the Key Facts Illustration. I/We understand that a false declaration of income will have a serious effect on our ability to regularly meet mortgage payments.

I/We confirm that I/we have discussed, with my/our mortgage advisor, the impact of increases in interest rates and their significance on my/our mortgage payments.

I/We are aware that taking on new/additional financial commitments of any kind, during the period of the mortgage

where I/we have not received any corresponding increase in income, could affect the ability to meet the mortgage payments as they fall due, and that my/our home will be at risk if I/we fail to maintain the mortgage payments.

In the event that the mortgage repayment date falls after my/our normal retirement date(s), I/we confirm that I/we will have sufficient financial resources, either through pension or other income to meet the mortgage payments as they fall due.

I/We confirm that I/we understand the way an interest only mortgage works and that the balance of my/our mortgage will not reduce over the term of the mortgage and it will be my/our responsibility to repay the loan from other sources at maturity of the loan (This applies only to applicants who are applying for an interest only mortgage).

Make sure that you can afford your mortgage if your income falls.

YOUR HOME MAY BE REPOSSESSED IF YOU DO NOT KEEP UP REPAYMENTS ON YOUR MORTGAGE
